## LACHLAN STAR ANNOUNCES \$2.85 MILLION PLACEMENT

**Emerging minerals and exploration company Lachlan Star Limited (“Lachlan” or the “Company”) (ASX: LSA)** is pleased to announce that it has entered into agreements for a share placement of \$2.85 million to S708 Sophisticated and Accredited Investors in Canada and Europe at an issue price of 1.4c per share (Placement Share), with an attaching unlisted 2 year option having a strike price of 2c per option (Placement Option).

The Share and Option Placements are within the Company’s 15% capacity to issue equity securities within a 12 month period without shareholder approval. The Placement Shares will not be subject to ASX escrow conditions.

A total of 204 million Placement Shares and 204 million Placement Options will be issued under the placement, with an additional 12.2 million broker options to be issued on the same terms as the Placement Options. Broker fees payable for the placement will be in the normal range expected for such a transaction.

The Placement Shares and Placement Options are expected to be issued within ten working days. Once issued, the Company will have a total of 3.4 billion shares and 291 million options on issue, pre the 1 for 60 share consolidation announced last week, or 56.97 million shares and 4.85 million options post the consolidation.

The proceeds of the placement will be used for mine pre strip and general working capital at the Company’s 100% owned CMD Gold Mine in Chile.

Mick McMullen, Chairman, commented, “This placement will provide additional funding to be used for mine expansion in Chile. The placement has been done to key shareholders in the Canadian and European markets that will further enhance our visibility in those markets.”
