LACHLAN STAR TO LIST ON THE TORONTO STOCK EXCHANGE

**NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR
RELEASE, PUBLICATION, DISTRIBUTION OR DISSEMINATION DIRECTLY, OR INDIRECTLY, IN WHOLE OR
IN PART, IN OR INTO THE UNITED STATES**

Gold miner, Lachlan Star Limited (“Lachlan” or the “Company”) (ASX: LSA) is pleased to announce that it been approved to list on the Toronto Stock Exchange (TSX), with the stock code “LSA”. Trading of Lachlan’s shares on the TSX is expected to commence on Wednesday 19 October 2011.

Pursuant to the previously announced private placement of Special Warrants (the “Special Warrants Placement”) that closed in August, 2011, the Company is required to use its best efforts to file a preliminary prospectus in each province of Canada in which Special Warrants were distributed, being Ontario and British Columbia, pursuant to the Special Warrants Placement and obtain a receipt for a final prospectus on or before December 27, 2011 which, if obtained, will result in the underlying shares, including shares issuable upon exercise of the underlying warrants, to be free trading.

Mick McMullen, Executive Chairman, commented on the TSX listing “ the TSX listing is a milestone event for the Company. The TSX is the preferred listing destination for most of our peer group of Latin American precious metal miners, and the TSX listing will enable North American institutional investors to invest in Lachlan in their own time zone. We believe that this represents another important step in building the Company into a recognised unhedged gold producer with a strong balance sheet and growth profile”.
